ATTORNEY CHARLES S. LiMANDRI ACHIEVES RECERTIFICATION IN CIVIL PRETRIAL PRACTICE AND TRIAL ADVOCACY WITH THE NATIONAL BOARD OF TRIAL ADVOCACY

Rancho Santa Fe, California: -The National Board of Trial Advocacy (NBTA) is pleased to announce that Charles S. LiMandri of the law firm LiMandri & Jonna LLP has successfully achieved recertification as a civil trial advocate. Mr. LiMandri has been a NBTA member in good standing for 20 years. The NBTA was formed out of a strong conviction that both the law profession and its clients would benefit from an organization designed specifically to create an objective set of standards illustrating an attorney's experience and expertise in the practice of trial law.

Charles S. LiMandri is part a growing number of trial attorneys that have illustrated their commitment to bettering the legal profession by successfully completing a rigorous application process and providing the consumer of legal services with an objective measure by which to choose qualified and experienced legal counsel.

The elaborate screening of credentials that all NBTA board certified attorneys must successfully complete includes: demonstration of substantial trial experience, submission of judicial and peer references to attest to their competency, attendance of continuing legal education courses and proof of good standing, and passing a rigorous written examination.

Board Certification is the highest, most stringent, and most reliable honor an attorney can achieve. Board certifications are the only distinctions awarded by non-profit organizations. The NBTA as well as all board certifying organizations are committed to safeguarding the public's ability to choose a good attorney. The NBTA is accredited by the State Bar of California and the American Bar association.

Mr. LiMandri is double Board Certified in Pre-Trial Litigation and Trial Advocacy by the National Board of Trial Advocacy and has owned and operated his private law firm for 30 years. He is also a member of the American Board of Trial Advocates and is admitted to practice law in California, New York, Washington, D.C. and before the United States Supreme Court. An accomplished trial advocate with a national reputation, Mr. LiMandri founded the non-profit Freedom of Conscience Defense Fund (FCDF) in September 2012, to help allow others to support the mounting escalation and intensity of religious freedom cases. He currently leads a team of attorneys that handle religious liberty and other culture war cases involving pro-life, marriage and traditional family values.

Charles LiMandri received his law degree from Georgetown University Law Center in 1983 and a Diploma in International Law and Relations from the University College of Wales at Aberystwyth as a Rotary International Graduate Fellow in 1980. He is a member of the Million Dollar Advocates Circle (for obtaining verdicts and settlements in excess of a million dollars) and holds the highest (A.V.) rating for legal skills and ethics (by fellow attorneys and judges) in the Martindale-Hubbell national directory of attorneys. He also is listed in the Bar Register of Preeminent Lawyers, as well as in Super Lawyers.

In addition to his many community service activities and professional affiliations, in 2012 LiMandri successfully co-chaired a capital campaign with San Diego Charger Quarterback Philip Rivers to bring Catholic Radio to San Diego through Immaculate Heart Radio. He also hosted his own radio show “From the Front Line of the Culture War.”

Mr. LiMandri is a frequent author and lecturer who has appeared and been published locally, regionally, nationally and internationally. He has also been a featured guest speaker on radio and television including the Fox News Network. He is a member of the Board of Editors of the California Tort Reporter and the California Insurance Law and Regulation Reporter, both of which are published by West Group.

Approximately three percent of American lawyers are board certified, which makes Mr. LiMandri is a member of a very select group who has taken the time to prove competence in their specialty area and earn board certification.
